About Us

Mission Centers of Houston has served Houston's inner city for over 60 years. With three current locations, and a fourth underway, Mission Centers of Houston seeks to minister to under-resourced neighborhoods in the Houston area by providing Christ-centered community programs and neighborhood outreach.

What once was described as a crisis or relief ministry, Mission Centers of Houston is committed to focus on both the daily needs of it's neighbors while working to implement various sustainable, development-based ministries that focus on the future needs of the community. The goal of this development-based ministry is to identify and raise up people from within the neighborhood by teaching them life skills, spiritual discipline, empowering them to utilize their gifts and creating opportunities for education. Change from the inside-out.
