Suggested (tax deductible) donation to MCH for use of facilities

- Joy Mission Center or Gano Mission Center: *\$110/person/week*
- MCH Admin and Missionary Building: *\$135/person/week*
- *Additional \$100 per group for cleaning.* This allows us to bless a community resident who is willing to come in and clean after a group leaves. Groups are expected to leave facilities clean but this will provide a more thorough cleaning to ensure the facility is ready for the next group's arrival.
- The above figures are suggested minimums. MCH would appreciate any donations over and above these amounts to help fund our mission work.
- An advance donation of approximately 10% of the total will hold the reservation. The remaining 90% is due upon or before arrival. Donations can be made by check or credit card.

** Please note that MCH does not provide food, meals, beverages, bed linens, cots, air mattresses, bed rolls, towels or toiletries. All groups must bring these items with them or make arrangements to have them delivered ahead of their scheduled arrival time*

*** Food preparation for groups may be available for an additional cost. If interested, please indicate so in your email request.*

Groups must comply with the MCH Volunteer Group Lodging Policies (see attached)
